

iHOPE

The Integrated Help and Opportunities for Peace Existence, iHOPE is a not for profit organization striving for self-reliance, peaceful co-existence, equality, dignity, equity, honesty, individual rights, transparency and inclusiveness. Our vision is to create a better everyday life for the most disadvantaged South Sudanese especially the war orphans and widows in South Sudan through our charitable activities. We achieve this by offering access to education sponsorship, vocational training, income base activities as well as commercially designed projects including Medical laboratories and Book projects.

iHOPE Education Scholarship (IESA)

We offer scholarships to financially disadvantaged children (orphans) across South Sudan. It is our

Belief that rational thinking is a function of literacy, and we believe we can break the cycle

of wars in South Sudan through education. Self-reliance cannot be realised through the provision of food material from UNHCR and other UN agencies. Great ideas and the rapid development of technologies did not only come as a result of dream but a result of education. Please support our orphans' education project

Being a widow leaves South Sudan woman susceptible to domestic violence from the members of the public as well as from in-laws or male relative who inherit her. It leaves a woman at the mercy of sexually transmitted disease, destitution and sometimes, but sadly, a widow works cheaply as servant for their rich relatives or neighbours. The fate of an orphan is as precariously as that of a widow. Orphans are currently snipping petrol or are involved in other criminally dangerous activities including but not limited to illicit drugs, stealing and all sort of bad dealings which they do not voluntarily involved themselves but are circumstantially forced to make living from.

iCoffee (Café)

Current local business report indicates that small business such as coffee cafés are thriving.

iCoffee is a two prong project. It has a potential of employing widows as well as a source of money for our orphans' education and widows' vocational project.
